SERENGETI CLASSIC GAME DRIVES

BIG CATS, PLAINS AND PRIVATE GUIDING

The first full Serengeti day is dedicated to classic game drives across the plains. Your guide will adjust the route based on wildlife movement, light, weather and recent sightings.

MORNING

Start early when wildlife activity is usually strong and the light is best for photography. Search for lions, leopards, cheetahs, elephants, giraffes, zebras and antelope.

AFTERNOON

Continue with a full-day game drive and picnic lunch, or return to the lodge for lunch and a rest before heading back out. The pace stays private and flexible.

EVENING

Return to Four Seasons for dinner, drinks and relaxation. The evening is ideal for a slower lodge experience after a full wildlife day.

MORNING

Choose another early start for prime wildlife viewing, or begin slightly later if you prefer a gentler morning. Your guide will plan the route around recent movement and your interests.

AFTERNOON

Explore different plains, river lines or woodland areas depending on the season. You may also return to the lodge for leisure, spa time or a long lunch.

EVENING

Enjoy your final Serengeti dinner at Four Seasons. This is a good evening to keep the pace slow before transferring toward Ngorongoro the next day.

BEST USE OF TIME

Unwind, enjoy the lodge, take in the views and keep the final safari days relaxed.
