ARRIVAL IN ARUSHA

ELEWANA ARUSHA COFFEE LODGE

Day 1. Private airport welcome and transfer to Elewana Arusha Coffee Lodge for dinner, rest and your first overnight in Tanzania.

ELEWANA ARUSHA COFFEE LODGE

Day 1 - Arrival in Arusha

A calm first evening in Tanzania, with a private airport welcome and time to rest before the safari circuit begins.

Your safari begins with a private welcome at Kilimanjaro International Airport or Arusha Airport, depending on your flight. After immigration and luggage collection, your driver meets you outside arrivals and assists with your luggage.

You will transfer privately to Elewana Arusha Coffee Lodge, a relaxed coffee-estate stay that gives you an easy first night before entering the national parks. The evening is intentionally light: check in, refresh, enjoy dinner and recover from the flight.

Plan	Private arrival transfer, check-in, dinner and overnight rest.
Overnight	Elewana Arusha Coffee Lodge
Meals	Dinner included. Breakfast follows the next morning.
Guide note	Your safari briefing can be done on arrival evening or the following morning, depending on your flight time.

What makes this day work

The first day is kept simple on purpose. Instead of rushing into the parks after a long flight, you begin with a comfortable city stay, a soft landing, and enough rest to start Tarangire fresh the next morning.

TARANGIRE FOR 2 NIGHTS

TARANGIRE MWAMBA LODGE

Days 2-3. Drive to Tarangire for game drives and two nights at Tarangire Mwamba Lodge. A night game drive or walking safari is included.

TARANGIRE MWAMBA LODGE

Days 2-3 - Tarangire for 2 Nights

A slower two-night stay in elephant country, with time for game drives and one deeper Tarangire experience.

Day 2 - Arusha to Tarangire

After breakfast, drive from Arusha toward Tarangire National Park. The route gives a gradual transition from the city into open country, with arrival in time for your first game drive.

Tarangire is known for elephants, baobabs, seasonal river life and a wilder, quieter safari feel. Depending on timing, lunch will be arranged as a picnic or at the lodge.

Day 3 - Full Tarangire Safari

Spend a full day in Tarangire with flexible game drives. The guide will shape the pace around wildlife movement, light and your preferred safari style.

One walking safari or night game drive is included during the Tarangire stay, subject to lodge operation, park rules and final confirmation.

Day	Detailed plan	Overnight / meals
2	Morning departure from Arusha, drive to Tarangire, afternoon game drive and lodge check-in.	Tarangire Mwamba Lodge - all meals included
3	Full day in Tarangire. Game drives are planned around wildlife activity, with either a walking safari or night game drive included during this stay.	Tarangire Mwamba Lodge - all meals and drinks as per package

SAFARI RHYTHM

This section of the journey avoids a one-night rush. Two nights give the guide enough time to work Tarangire properly and give you a more complete first park experience.

TARANGIRE EXPERIENCES

WALKING SAFARI OR NIGHT GAME DRIVE

Included during your Tarangire stay — a more immersive way to experience the park before continuing deeper into the circuit.

AFTERNOON TO UNWIND AT MELIA NGORONGORO LODGE

Day 4 - Tarangire to Ngorongoro

A final Tarangire morning before the journey turns toward the Ngorongoro highlands.

Begin with breakfast and a final morning in Tarangire. Depending on the previous day's activity plan, you may enjoy a short game drive before leaving the park, or take the morning slowly at the lodge. Later, continue toward the Ngorongoro highlands. The route gradually changes from dry savannah to cooler highland scenery. The afternoon is reserved for check-in, views and unhurried time at Melia Ngorongoro Lodge.

This day is deliberately balanced: enough safari to keep the day meaningful, but not so much movement that the lodge experience feels rushed.

Timing	Experience
Morning	Breakfast, final Tarangire game drive or relaxed lodge morning.
Midday	Drive toward the Ngorongoro Conservation Area / Karatu highlands.
Afternoon	Arrive at Melia Ngorongoro Lodge, check in and unwind.
Evening	Dinner and overnight with crater-rim atmosphere.

NGORONGORO MELIA LODGE

AFTERNOON TO UNWIND

Day 4. Morning game drive in Tarangire, then continue to Ngorongoro Melia Lodge for relaxation, views and an overnight stay.

RETURN TO MELIA NGORONGORO LODGE

Day 5 - Full-Day Ngorongoro Crater

A full crater day focused on wildlife, scenery and one of Tanzania's most iconic safari landscapes.

After an early breakfast, descend into the Ngorongoro Crater for a full-day safari. The crater floor offers a unique concentration of wildlife in a compact, dramatic setting, with open grassland, woodland, marsh and soda lake scenery.

Your guide will plan the day around the best wildlife movement, picnic logistics and viewing conditions. Sightings can include lion, elephant, buffalo, zebra, wildebeest, hyena and, with luck, black rhino in the distance.

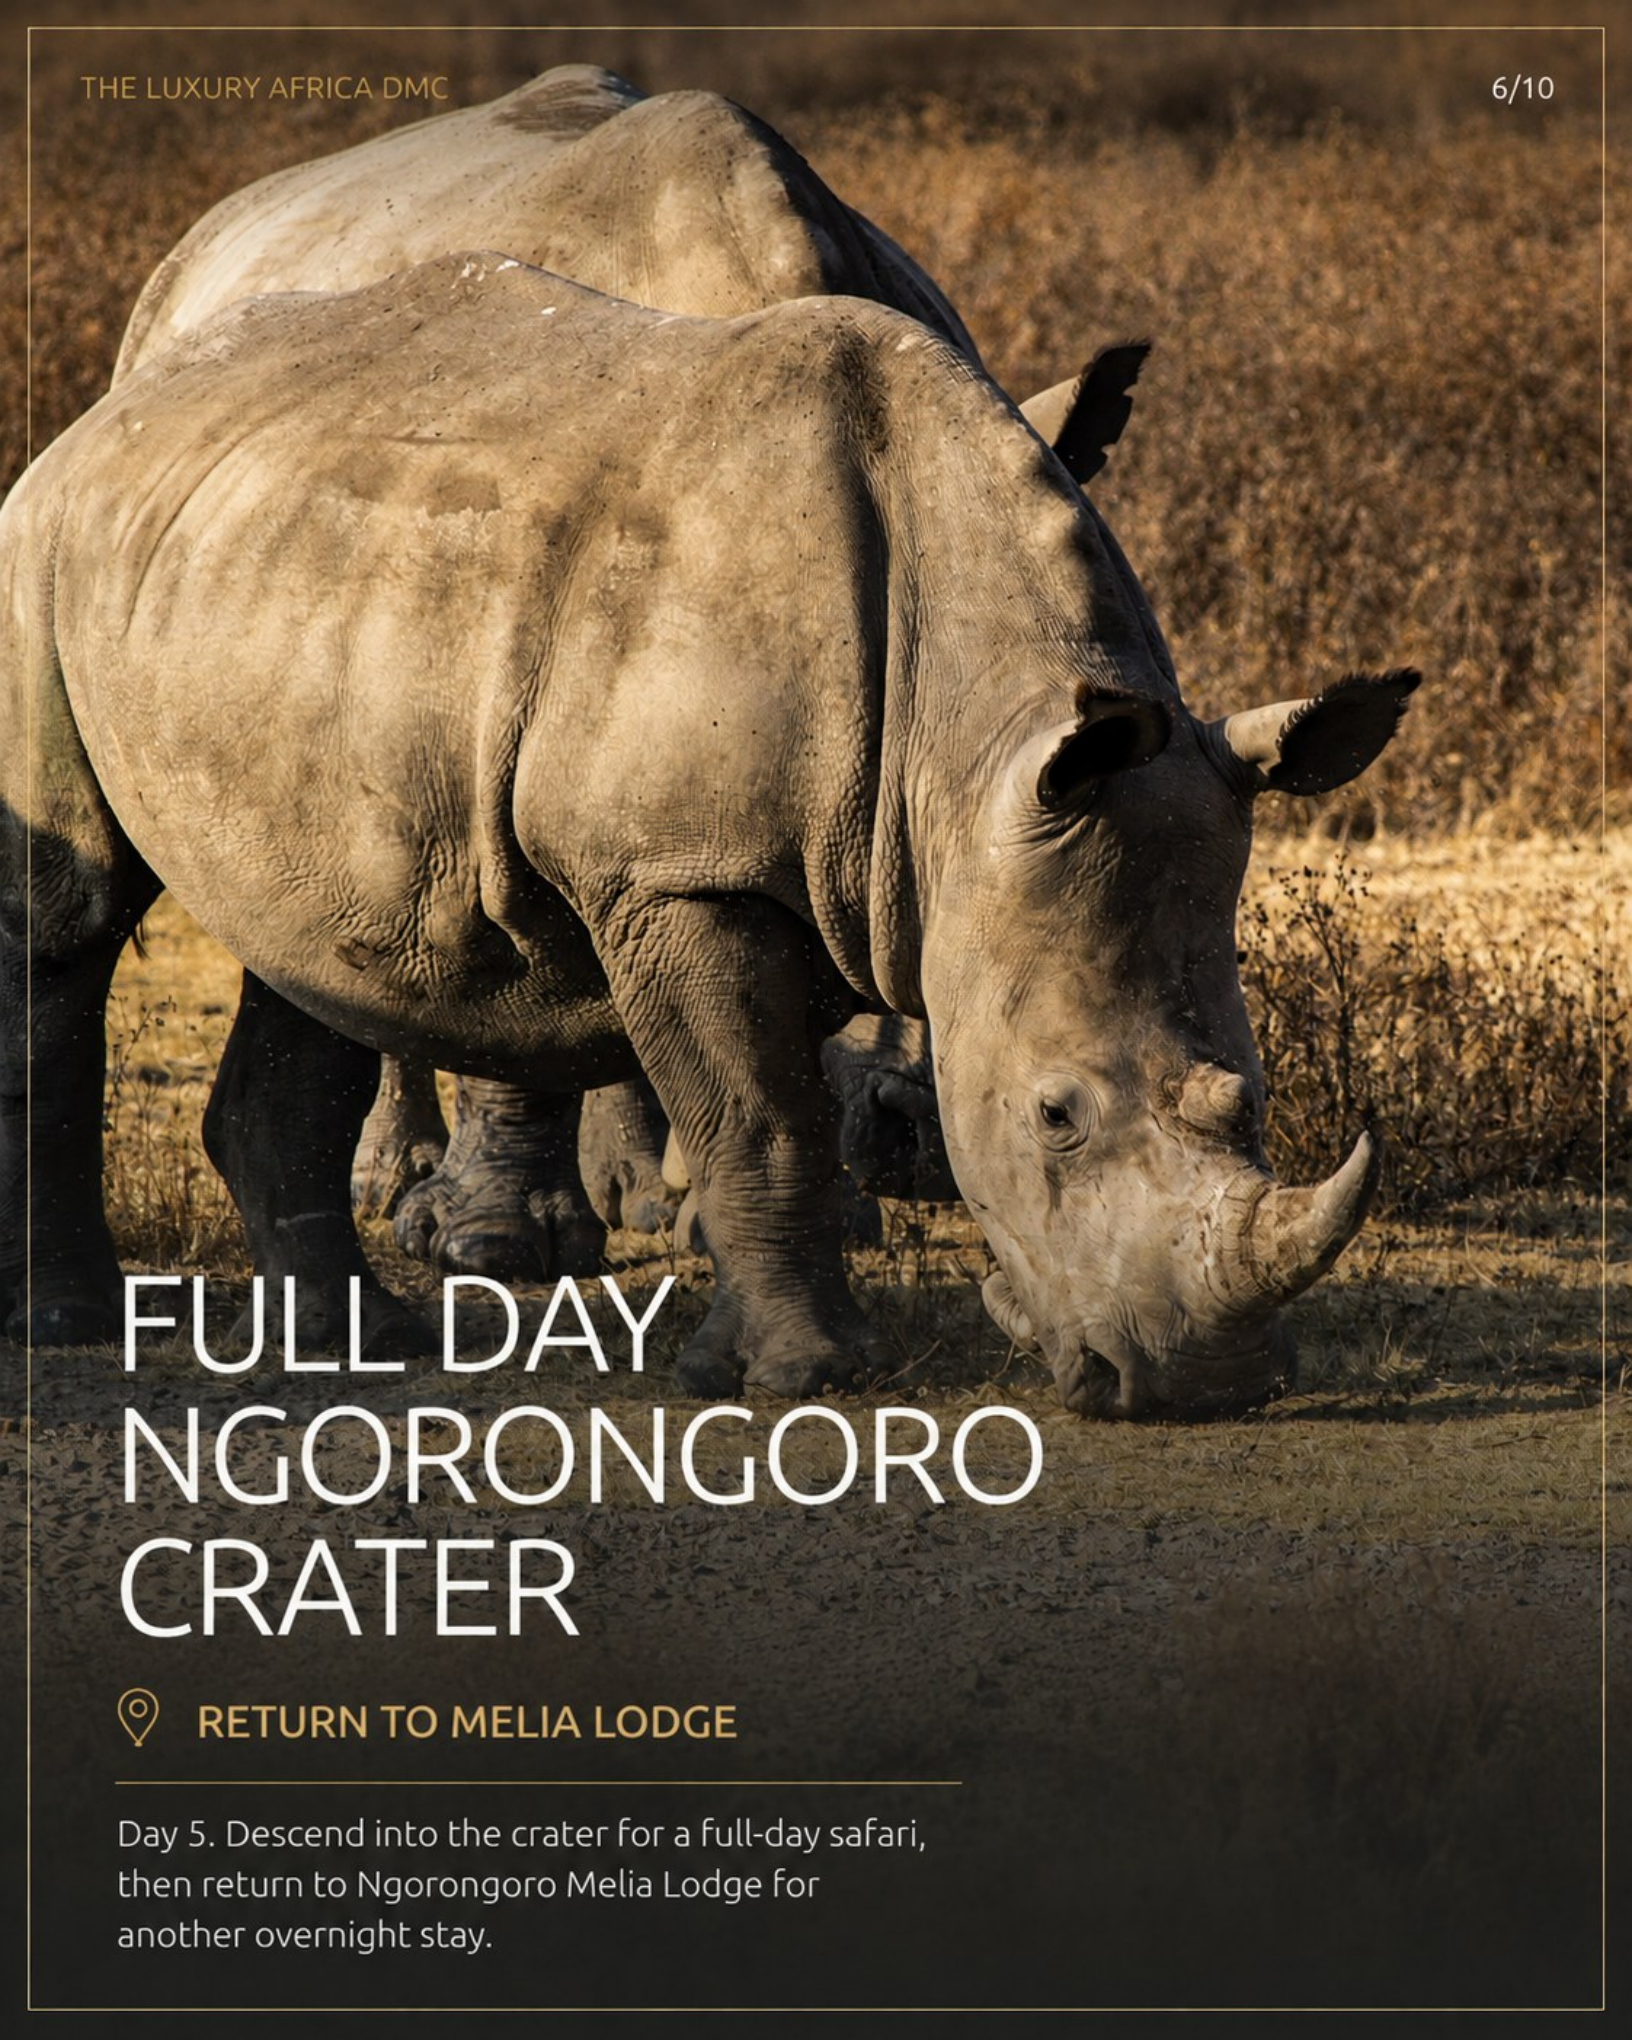

Lunch will be arranged inside the crater, allowing the day to remain focused and unhurried. In the afternoon, ascend back to the rim and return to Melia Ngorongoro Lodge for dinner and a second overnight.

GUIDE FOCUS

Positioning, patience and timing matter in the crater. The guide will avoid unnecessary rush and will adjust the route based on weather, light and animal movement.

COMFORT NOTE

Carry a light layer for the early start. The crater rim can be cool in the morning before warming on the crater floor.

A large rhinoceros is the central focus of the image, standing in a dry, grassy savanna. The rhino is facing right, with its head slightly lowered. Its thick, grey skin is covered in deep wrinkles and folds. The background is a vast, open landscape with dry grass and some small shrubs under a warm, golden light, suggesting late afternoon or early morning.

FULL DAY NGORONGORO CRATER

 RETURN TO MELIA LODGE

Day 5. Descend into the crater for a full-day safari, then return to Ngorongoro Melia Lodge for another overnight stay.

SERENGETI FOR 3 NIGHTS

 **FOUR SEASONS SAFARI LODGE**

Days 6–8. Stay in a Savannah Waterhole View Room with game drives, lodge leisure and front-row views of the plains.

FOUR SEASONS SAFARI LODGE SERENGETI

Days 6-8 - Serengeti for 3 Nights

Three nights in the Serengeti give the safari time to breathe: game drives, lodge leisure and the included sunrise balloon experience.

DAY 6 - INTO THE SERENGETI

After breakfast, travel from Ngorongoro toward the Serengeti. Enjoy game viewing en route before arriving at Four Seasons Safari Lodge Serengeti for check-in in a Savannah Waterhole View Room.

DAY 7 - FULL SERENGETI SAFARI

A flexible full safari day. Choose a classic morning and afternoon game-drive rhythm, or a longer drive with a packed lunch depending on wildlife movement and your preferred pace.

DAY 8 - BALLOON SAFARI

Begin before sunrise for the complimentary Serengeti balloon safari. After landing and breakfast, return to the lodge or continue game viewing before a slow afternoon of relaxation.

Overnight: Four Seasons Safari Lodge Serengeti - Savannah Waterhole View Room. Meals and lodge drinks are included as per package and booked lodge basis.

COMPLIMENTARY BALLOON SAFARI

SERENGETI SUNRISE EXPERIENCE

Day 8. Float above the Serengeti at sunrise, then return to the lodge for a slow afternoon of relaxation.
